

## Make Beautiful handmade signatures by Chrissie Day 2009

Make a set of beautiful signatures from your handmade paper or silk paper

1.start with 1 A4 sized sheet

2.make centre folds as shown

3. edges to middle: short sides used

4. make diagonal folds in each corner

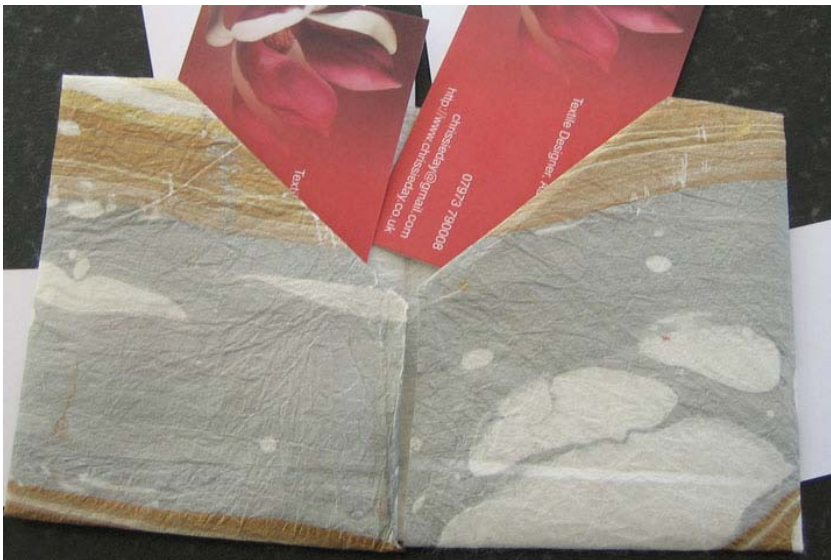

5 as shown.

6 turn over and fold over 1 short edge as shown

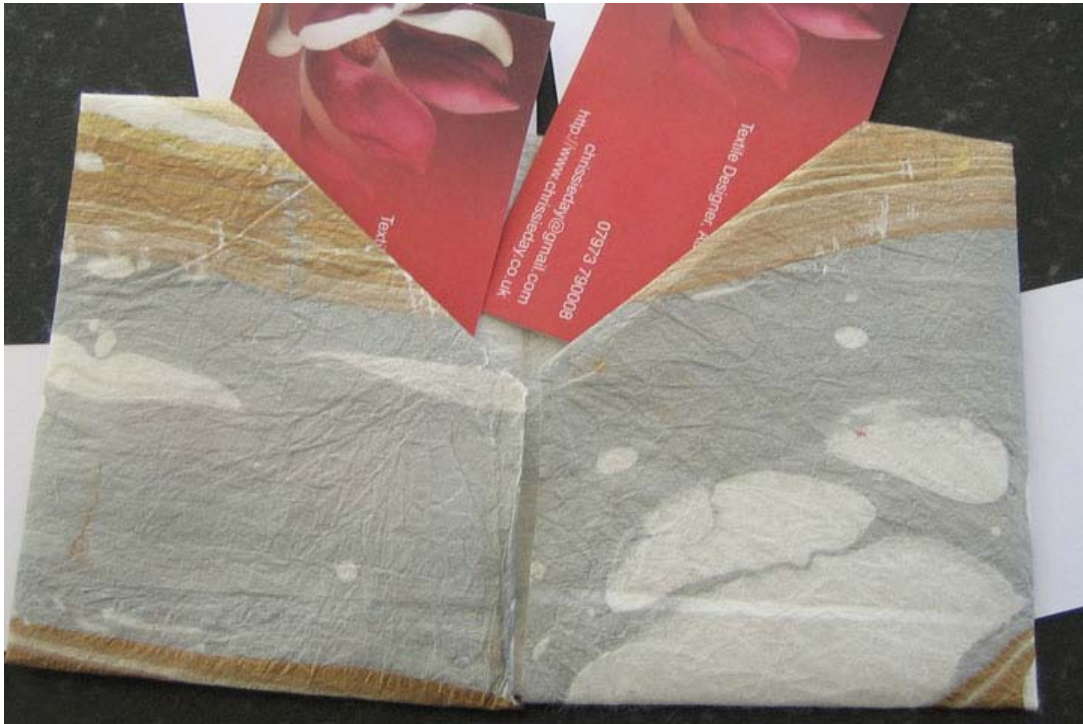

7. now fold up other short edge and tuck into corner folds as illustrated

8 from seeing business cards in places formed this shows how many pockets this signature has –giving the ability to hold many small samples of stamping, embroidery, textile work, felt samples.

9. holds 8 samples

10 signature formed and showing sample spaces

a handful of signatures formed from 4 A4 sheets ie a large piece of wrapping paper if you do not wish to make your own paper /silk paper

signatures shown before stitching

Part 2 will show how to make the book and use these signatures
