by Chrissie Day

- [3 colours of merino fibres](#)
- bowl
- sushi mat
- towels
- bubblewrap
- .9 gauge wire
- fine knitting needle

We are going to make felted cords in 3 colours as our starter felter lesson.

- selecting the fibres
- make the cord

- add bands

wrapping

wet the bead

keep dipping your cord and band
into your soapy water

insert needle to ensure not
adhering to each other

Tip

- want your flyers to wriggle about
- felt around wire to make these then you can make it wiggle and squiggle anywhere

damp fibres

wrapping the wire

twiddle the felt and wire between
both finger and thumb on both
hands at the same time

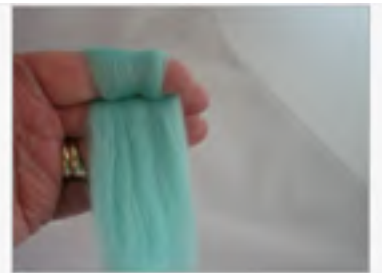

roll it along your hand gently
keeping it well soaped

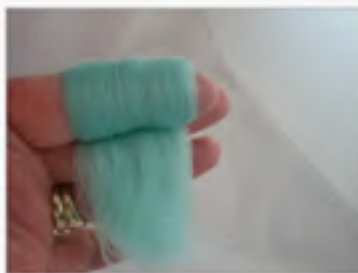

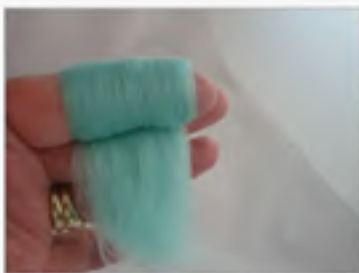

here is your curly felt flyer

make 3 different colour cords

make some felt beads

felt beads

felted flyers

splitting a cord

place bubble in slit and keep rolling

assemble cords and beads

d flyers with or without wire
